

Day 2 - Work work work.

“Sleep is necessary for life, but the big city disagree.

? Wake and Bake (I wish)

A picture of the networking cabinet I get to work with. It doesn't use rack nuts or anything but self tapping screws. Wish I could move the shelves up closer but that's ok. Ill deal with it.

Watched some reels on my phone, then finally got up, and had a shower. Best shower in the world. Got dressed then had some breaky. Coffee, muffin and some cereal thanks to the hotel. The hotel is pretty cheap honestly.

Headed over to the store around 9:30 am since thats when the mall was open. Got there and Joe (the foreman on site) and another dude where the only people there. I started work and got the

second cash up and running.

? Lunch
